

**Enjoy a day in the sun on one of these
Buddy Bike Group Rides**

So far, 2008 has been a busy year at Buddy Bike, LLC. Our sales are steadily increasing and families around the world are enjoying the benefits of a product that we are very proud to provide. To show our appreciation of our customers and supporters, we are coordinating two Buddy Bike Group Rides in Florida. To encourage some of our new friends to try a Buddy Bike, we will provide a limited number of Buddy Bikes by reservation. All riders will have a chance to try a Buddy Bike but bikes for the ride must be reserved. For your safety, we ask that ALL riders wear helmets, not just the kids! There are no fees to participate but park entrance fees may apply. All bicycles are welcome so feel free to invite your friends! Please RSVP so we may know to expect you.
